Local and Legislative Departments,
BANGALORE.

Sir,

I have the honour to state that during the audit of the Nagar Taluk Board accounts for the year 1923-24, it was observed by the Auditors of the Comptroller's office that the Meti of the 2nd Class Travellers Bungalow at Kallurkatte (under the management of the Revenue Department) was entrusted with the additional work of the caretaker of the Musafirkana which is maintained by the Taluk Board from 1-2-23 to 20-6-23 and from 20-8-23 to 28-2-24 and was paid at Rs3/- and Rs4/- per month respectively. The allowance of Rs.39-9-0 in the aggregate so paid for the periods is addition to his pay as Meti has been placed under objection by the auditors for want of sanction of Government. On the recommendation of the President of the Nagar Taluk Board, the District Board has at its meeting held on 8th October 1926 resolved that a recommendation may be submitted to Government in the matter. A copy of the resolution passed on the subject together with the Taluk Board President's report No. 40 dated 7-7-26 is submitted herewith for information. Under the Local Boards, in places where there is not much rush of travellers or wherethere is paucity of men, it is usual to employ only one man to take care of both the Musafirkana and

the travellers' Bungalow with a small allowance for the extra work. I request that you will be pleased as to obtain sanction of Government to this arrangement of the Board.

2. The objection seems to have been raised as the funds are separate. In this connection, I beg to submit that with a view to avoid therepetition of such objections, orders may also be kindly obtained for authorising in general the employment only one person in such special circumstances for looting after both the works, although the funds from which the institutions maintained may be separate.

I have the honour to be,

Sir,

Your most obedient servant,

President,

District Board, Shimoga.
